

**20**

Community events and programs increased understanding of key initiatives and left participants feeling more confident and effective in their parenting.

**20**

Parent Ambassadors, representing 18 schools, hosted 8 book groups (95 participants) and met monthly to share strategies, support families, and build leadership.

**300+**

Community members came to learn, share, and deepen cultural connections at *Celebrate Together! ¡Celebrando Juntos!*

**1,000+**

Parents and caregivers engaged across Boulder, Weld, and Broomfield Counties.

*"Parent Engagement Network presents robust, intentional information to parents. Created by parents, curated by parents, and deeply impactful because it comes from lived experience. PEN's long-standing presence in Boulder County has created a foundation of trust and meaningful community change." - Stacey A, BVSD Parent & Ambassador*

## KEY INITIATIVES

- Building Resilient Families
- Reducing Stress & Anxiety
- Preventing Drug & Alcohol Misuse
- Raising Kids in a Digital Age

**90%**

**ATTENDEES** rate programs "very good" & "excellent."

**70+**

**PARTNER ORGS** delivering superior programming.

## ENGAGE | EDUCATE | EMPOWER

Since 2001, Parent Engagement Network (PEN) has supported parents in raising happy, healthy humans — reaching 25,000+ parents, caregivers, families, and educators across two school districts and building a strong foundation of connection and support that strengthens our greater community.
